## **Spectrum Parent info Night**

We have an open house planned for January 16 from 7:00 - 8:30 p.m. People will be able to come and check out the school and the numerous programs and extra-curricular activities. We'll have some performances in the theatre, and we are hoping to have a basketball game happening, too. We'll have a few door prizes, including a chance for a month's worth of lunches from our culinary program.
