Friday, Nov. 2nd

•

The Colquitz Change the World Club has signed up for a nation-wide initiative called We Scare Hunger. For the tenth year in a row, some Change the World Club students will be out collecting non-perishable food items along with candy on Halloween night. Interested students brought home an information notice on Wednesday. They also have flyers to hand out this weekend to houses on their trick-or-treating route. In addition, we are encouraging all of our students to bring in one non-perishable food item to school on Thursday, November 1st to add to the donations collected by club members. All of the non-perishable food items will be donated to the Burnside-Gorge Community association and will directly benefit families in our community. Thank you in advance for your support of this initiative. With your help, we hope to scare hunger away from our community!

UPCOMING EVENTS
