November 9th-13th

Nov. 11th—Remembrance Day Virtual Assembly

Remembrance Day Ceremony

This year we will be doing our Remembrance Day ceremony differently than in other years. Under the organization of Ms. MacKenzie and Ms. Montgomery, our choir, band and flag party will lead the school through a physical ceremony in the main foyer, which will be live-streamed to all divisions in their classrooms. The wreaths that each cohort created will be laid on the cenotaph in the large display case at the front of our library.

As part of this ceremony students will be given poppies to wear for the day. For these poppies, we usually do collect donations which go toward supporting our veterans. This year we would invite any parents wanting to contribute to do so online at School Cash Online Payments link; <https://sd61.schoolcashionline.com/> under **Poppy Donations**.

Curriculum Completion Day

This coming November 30th is our first Curriculum Completion Day. This day is intended to give all students an opportunity to ensure their school work is complete in advance of the first report card. On this day, students who are generally up to date with their work will be dismissed at 11:45am. Those students needing to complete substantial portions of their work may be asked by their teacher to remain for the duration of the day. Over the next few weeks teachers will encourage their students to complete outstanding work. We ask parents/guardians to support us and their children by doing the same. Buses will run at regular time. Thank you!
