

NEXT WEEK AT COLQUITZ

Feb. 6-Feb. 10, 2023

Thanks everyone for accommodating the paving job on Dumeresq St. There is one more step to go. We will update once we know the dates. Wishing everyone a great weekend.

Grade 8 Transition

Just to let families of our grade 8 students know that the grade 8 transition process will begin in late February. The first big piece of this will be a school information and course selection session which will be done in class time here at Colquitz. Students should keep their ears open for more information in the coming weeks and we will keep families updated in our Friday Next Week at Colquitz mailing. The letter you would have received on Jan. 6th will have the name of the school your student is expected to attend in September. If your student is wanting to submit a transfer for a school other than the school they are being directed to, they must fill out an online transfer form during the week of Feb. 6-10. **The district will not accept transfer forms after 3:00pm on Feb. 10th.**
