

NEXT WEEK AT COLQUITZ

Feb. 13-Feb. 17, 2023

Wishing you all well on this sunny Friday afternoon! Please see the information below. In particular, you might be interested in the following link which will take you to some excellent Black History Month resources compiled by our district.

Grade 8 Transition

Just to let families of our grade 8 students know that the grade 8 transition process will begin in late February. The first big piece of this will be a school information and course selection session which will be done in class time here at Colquitz. Students should keep their ears open for more information in the coming weeks and we will keep families updated in our Friday Next Week at Colquitz mailing.

Transportation

Final reminder that the on-line busing application process for **Regular Program Busing/BC Transit starts Monday, details below in first email**. Families must apply each and every year for Transportation, regardless of current ridership. I have emailed all the families who are currently receiving service with reminders, as well as some families who withdrew busing this school year.

To apply:
