

NEXT WEEK AT COLQUITZ

May 1-May 5, 2023

Hey Colquitz Families!

Our Sustainable Resources teacher has paired with an organization called USANA for a fundraiser for the school garden. USANA has agreed to match up to \$1000 of all monies that we raise!

If you would like to help support our school garden, the link to donate is below. Anything you give will be doubled! Please feel free to share the link with anyone you think might also like to support the program with a donation. Thanks for your support!

KidsRun Victoria

The 14th annual KidsRun Victoria is back IN PERSON after running (and walking!) online for 3 years. KidsRun Victoria is a 100% volunteer organized run and has raised over \$286,000 to date. 50% of the money raised goes to the Victoria Hospitals Foundation for purchases needed in the pediatric oncology clinic at VGH and the training of nurses. The other 50% goes to the Island Kids Cancer Association which supports children and families during their challenging times. Please mark May 7th, 2023 on your calendar and join in this year's event. Colquitz is supporting Kids Run with a goal to raise awareness of childhood cancers and to support Pediatric Oncology for Vancouver Island's Kids! We CAN make a difference! Colquitz can be proud of the fact that we have, over the years, been able to significantly contribute to this local initiative. Each pod has taken on a challenge to raise funds, such as treat sales and pod challenges. If your child is interested in volunteering at the event in the Kids Area, please contact Christine Crljenkovic at ccrljenkovic@sd61.bc.ca <https://raceroster.com/events/2023/72473/kidsrun-victoria-2023>
