## THIS WEEK'S REFLECTIONS

Hello Colquitz Families,

I can't believe my first year as principal has drawn to a close. The last week has been full of special events that will live on in all of our memories. Please enjoy photos of Grade 8 Day, the Year-end Assembly, and the Grade 8 Recognition Ceremony.

We know the job of parent is not always an easy one (as many of us are parents ourselves!), and we appreciate working together with you as a team to encourage and motivate students, and when needed, help them take accountability and fix mistakes. Thank you for all that you do to work with us as a school to help support, guide, and coach students to be their best selves socially, emotionally and academically, every day.

Ms. Elford and I and the office staff will be around for the next week or so if you find anything like library books or other things to return, or if you have any questions we can help with. We will be back on August 19th and open for the last two weeks of the summer as well. I will be sending out more information then around start-up. Best of luck to our Grade 8 students and families with high school.

Thank you again for being such a fantastic community. Have a wonderful summer with your friends and family. You've earned it! - Carrie Schlappner — Principal
